

Vasilios Frankos, M.S., Ph.D.

***Senior Vice President
Global Product Science, Safety and Compliance***

Vasilios Frankos, M.S., Ph.D., is one of the country's foremost authorities on dietary supplements and exemplifies Herbalife's commitment to providing science-based nutritional supplements of the highest quality available in the marketplace. Prior to Herbalife, he was the director of the Division of Dietary Supplements Program at the Food and Drug Administration's (FDA) Center for Food Safety and Applied Nutrition (CFSAN). He was the lead scientist for dietary supplements for the FDA; directed and coordinated policy and administrative activities within the division; and advised on policy and management issues on dietary supplement programs, new dietary ingredient safety assessments, good manufacturing practice, adverse reaction monitoring, and related activities pertaining to dietary supplements. He received his Ph.D. in pharmacology and toxicology from the University of Maryland Pharmacy School and his M.S. in molecular biology and B.A. in biology from the University of Maryland.
