

## **Robert J. Moore**

***Supervisor; Regulations Implementation Team;  
Division of Dietary Supplement Programs; Office of Nutrition, Labeling and  
Dietary Supplements; Center for Food Safety and Applied Nutrition;  
U.S. Food and Drug Administration***

Robert Moore is Supervisor, Dietary Supplement Regulations Implementation Team in the Division of Dietary Supplement Programs, Office of Nutrition, Labeling and Dietary Supplements, in the Food and Drug Administration's Center for Food Safety and Applied Nutrition. He has undergraduate and master degrees in Animal Nutrition from the University of Missouri and earned his doctorate in Animal Science and Nutrition at Virginia Polytechnic Institute and State University. Following post-doctoral work at the USDA Human Nutrition Research Center in Grand Forks, North Dakota, he served in the US Army as a research biochemist at US Army Medical Research and Development Command labs in Natick, Massachusetts and San Antonio, Texas. He joined FDA in January 1994 and has worked primarily on dietary supplement compliance and enforcement policy issues.
